- Word and Docs
- PowerPoint and Slides

### Adobe Create Suite:

- InDesign
- Premiere Pro
- After Effects

## Personal Interests

Literature, languages, web development, hiking, surfing, fitness, & diet.

## Experience

### § 2018 - 2023 | BigByte Education - Taipei, Taiwan

#### 2020 - 2023 | Headteacher

- Managed and trained four full-time employees at a private education branch each year, specialized in teaching supplementary English lessons.
- I was responsible for creating a safe, welcoming, and engaging learning environment across the branch and ensuring all students met their learning objectives.
- I worked at three different branches. Each year I was assigned to the branch that represented the biggest challenge for the company.
- Branches consistently maintained 85%+ student retention year-on-year.
- Taught at least 10 hours per week of 2 hour lessons each year with students aged 7 to 18 in English-immersion environments.
- Interviewed and recruited employees over three years resulting in seven successful hires and four employees staying over two years.

### 2019 - 2023 | Curriculum Supervisor

- Learning Management System Administrator of Canvas LMS
  - Maintained online platform and kept a high standard of data integrity.
  - Managed user accounts, enrollments, ensured systematic content uploads, and updates.
  - Provided daily technical support and training to all employees, students, and parents.
- Project Manager for a team of four members implementing a curriculum update to CCSS Wonders 2020 curriculum over three years.
  - Created core curriculum assessments. This involved: managing online material, designing material for print, proofreading, and version control through regular updates.
  - Created supplementary digital material for distribution at six company branches, used regularly by over 65% of employees.

### § AGI Language Institue - Seoul, South Korea

#### 2014 - 2018 | Full-time Educator
